Reasons for comment:

Comments: While my children enjoy McDonald's as much as anyone, I do not feel that a fast food restaurant in this area will benefit the community. It will make the park nearby less enjoyable, thanks to the inevitable rubbish and the traffic on Wrotham road will surely increase. The pollution alone will be damaging to the area.
Gravesend needs nice restaurants and shops so that it is a place where people want to spend their time and money. Not a generic town with no character that people leave in order to enjoy themselves. It also seems a shame to lose such a characterful building to a bland franchise. I appreciate that properties are better filled than empty, it just seems like we need a committed vision and patience to bring Gravesend's historic buildings back to their full glory. Only when we embrace the beauty of this town will we, and others, be able to enjoy it properly.

Kind regards
