Reasons for comment:

Comments: The proposed use of restaurant is clearly in accurate with limited parking for patrons it's clearly aimed at take away service. The current proposal clearly shows kitchen area far greater than required for the in house sitting area.
This will have a environmental impact on the local area will there be a drive though of course they will be the close proximity to schools and parkland clearly targets young children especially school break times it's clear that this needs to be refused

Kind regards
