Reasons for comment:	
Comments:	The traffic along this road is already bad and this type of restaurant will make it worse. This will in turn increase the amount of traffic on old road west which is already a very busy road. There will be an increased risk of incidents where cars are parked all around the restaurant. There are schools nearby which have children who are easily influenced. There will be an increase if rubbish which will end up in the park. There will additional noise from delivery lorries and waste. The noise will adversely affect the local residents and reduce their right to quiet enjoyment of their home.

Kind regards
