Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	As this planning application was refused when it was first submitted I object on the same grounds as previously. Although the application has had alterations made it is still inappropriate for the plot. The first static home was erected when there was no permission given and since then there has been regular activity on the site, including calor gas delivery. The parish council reported that someone was living there already. The building and static homes encroach on green belt land; the application is not in keeping with the surrounding area; access onto the site from a busy road would be hazardous. For these reasons I object to the application again.
