Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application. It is green belt land that stops the joining of sole street and Meopham. It should not be built on in order to stop the merging of these two villages which is the main purpose of the green belt. It is for this reason the land can not be deemed grey belt. Also. Gravesham have released their draft updated local plan. This land is strictly excluded from development in this draft local plan. Clearly Gravesham did not deem it suitable land to include in their local plan for development and therefore, with nothing changed, the only outcome for this application should be refusal. Of course all of the other normal things are applicable; traffic, doctors places, access to site, biodiversity loss etc. etc. etc.

Kind regards
