| Comments:            | More land grabbing! We must protect our green belt and all that goes with it. The Labour Party are decimating Kent with these awful decisions. We need to protect our wildlife and not just that which we see. With this destruction, we also get more light pollution, which affects all the nocturnal wildlife (see Countryfile). The infrastructure isn't there to support this nor are there enough doctors, hospitals either. Time to stop concreting over Kent. |
