Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The traffic already affects the surrounding areas where this development is planned. The roads are simply not wide enough to cope with the volume of traffic this development will cause. Meopham struggles already, the pollution, destroying natural wildlife habitation and the ongoing pressure this will have on schools and surgeries. There are plenty of options in surrounding areas without destroying villages!

Kind regards
