Reasons for comment:	
Comments:	This proposal is completely disproportionate to the size of the village. There is insufficient infrastructure to cope with a development on this scale. The local GP surgeries are operating at full capacity and it is difficult for existing residents to get an appointment. The land is part of the Green Belt which was designed to prevent urban sprawl ie villages keeping their own distinct identity rather than merging into each other as would be the case with eopham and Sole Street. I urge the Council to reject this application and make it clear that further application of this nature will be likewise rejected.

Kind regards
