Reasons for comment:	
Comments:	To prevent merging of two villages together ie Meopham and Sole Street. This site is critical in maintaining the separation between two villages, it likely makes a strong contribution to the purposes of the Green Belt, and therefore should not be considered grey belt Not in local plan, development in this area needs to be considered along with the other 5 in local plan there is not enough No infrastructure to cope with amount of traffic impacting A227 also facilities to cope with doctors and local hospital capacity This land has been farmed by a local farmer for years and therefore impacting biodiversity and climate

Kind regards
