Reasons for comment:

Comments:	Worries about the amount of dwellings that have been put in for. The lane between Meopham and sole street is narrow, so narrow there are no road markings. If the average household has 2 cars I do not see how that lane can cope with an additional 1400+ cars. I am also very concerned about Meopham losing its identity. This planning application basically joins Meopham and Sole Street together. Would the new development be classed as Meopham or Sole Street? I see they want to add a school but how about a doctors? It already takes weeks to get an appointment and this will just add more stress to the GPs. It is already a nightmare to try and park at the local shops, I now fear I will never be able to get to them and therefore have to drive further out to go shopping, why should I have to waste fuel because I cannot use my local amenities. I am all for building more houses but I think this is an absurd amount, it's clearly just greed from the developers and the council. The village cannot cope with this amount of new dwellings and people living here.
-----------	---

Kind regards
