Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	It's ridiculous that you could consider so many new homes for one small village. No developer will ensure that the infrastructure needed will be in place for thousands more people, their needs and the additional traffic. In addition to this, it's green belt land which should be protected for good reason. Any development plans should be fitting for the current community - the number of new houses planed is outrageous.

Kind regards
