Comments:	Please stop building on our country side ... wrotham road and the surrounding roads will not cope with this level of building .. there is never any infrastructure built .. doctors .. schools and Darenth valley hospital are simply not big enough to cope ... every where is struggling but you just keep building and allowing building to go ahead ... this is unsustainable... we will never get our green belt back .. once it gone it's gone There are lots of brownfield sites that need development.. the old Gravesend hospital that's an absolute eyesore .. but that's too difficult to build on as it needs clearing 1st ... no just take out green fields it easier ..

Kind regards
