Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the plans. This will cause unnecessary traffic, impact on wildlife and take away even more nature spots and greenary. There are plenty of empty houses across Kent that just need investment to make liveable. Considering so many people are struggling to get on the property ladder and affordable housing is non existent, farmland/greenbelt is being absorbed to just create property companies and corrupt councils more money. This isn't for the benefit of the public. This is benefitting only rich property developers and corrupt Reform councillors.

Kind regards
