Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I have family that live in Meopham and visit very frequently. This outline planning application is wholly inappropriate for the village, and would cause irreparable harm. In particular, building in this field would merge Meopham with Sole Street, with no clear divide between the two. In addition, as I drive to Meopham every week I can from experience state that the roads leading to this field simply could not sustain the inevitable additional traffic that would be generated by this development. Finally, the loss of this natural farmland would have an incredibly negative effect on the environment. I therefore strongly object to this application.

Kind regards
