Reasons for comment:	
Comments:	Clearly the existing infrastructure of Meopham will not be able to cope. Roads will be chaotic during both rush hours. Existing utilities, especially water and sewage will not cope. With no new Doctors surgery, the existing will be overwhelmed. There are insufficient local shops. The main be to be affected will be those living in Sole Street and Norwood Lane, who will have to cope with living with a building site on their doorsteps for several years, with no protection. This development will also have a marked effect on the value of their houses and make future sales more difficult. No leisure facilities are shown for children and young adults. Learn the lesson from New Ash Green.

Kind regards
