Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Meopham is purported to be the largest village in the UK. The operative word here is VILLAGE. How can a proposal like this (and other similar ones locally be beneficial to a village. The proposal is designed to put money into the current land owner(s) at the expense of more traffic more stress on local facilities. This is not what we want for green belt countryside areas.

Kind regards
