Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	A considerable number of teenage boys and girls walk past here daily for school. Many will be alone. It is not right to put our teenagers at risk, especially after what happened to the teenage girl near Cecil Road - we need to put our children and communities safety first. Perry street has already become too intimidating for many residents to go to or allow their children to go to unsupervised.

Kind regards
