Reasons for comment:	
Comments:	Great facility. Affordable, accessible and lovely to support a small local venture. The land is used for animals anyway I believe so very little difference in the plans to what exists. Used the bark park numerous times and can't fault it. Clearly passionate about what they are doing and clean and tidy about it all as well. More space for them equals more space for the nervous, anxious, and socially troubled dogs to run around!!

Kind regards
