Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The only surviving woodland in Chalk Parish is to be thinned and infested with ugly looking pods and barrel structures in a Green Belt are near an important Grade II manor house is an application of unbelievable tastelessness. I object to this as further diminution of Chalk parish's ancient characteristics and landscape features. The road entrances from Church Lane or Lower Higham Road would be very narrow and dangerous - and a feature not wanted by Chalk residents. I also object as Chalk Parish Historian - yet another attempt to destroy this ancient place.

Kind regards
