Reasons for comment:	
Comments:	I strongly object to this planning application. The proposed development, which has already been started, is not in keeping with the area and would bring further problems with traffic and parking. The Road is dangerous enough and almost impossible to park when the See Ho is busy. Given the amount of objections on the first application, I cannot believe the Council are even considering this one. They are certainly overlooking the human rights of all the residents of Shorne and surrounding areas. This proposed development would completely bring the area down, finish the See Ho Public House and lead to unnecessary stress and worry for everyone locally. It is a disgrace that this is being considered!

Kind regards
