Reasons for comment:	
Comments:	I strongly object to this proposal as we regularly visit friends in the area and believe the building of a fast food chain will negatively impact the people and environment in the surrounding area. The traffic along Wrotham Road is already problematic and this proposal would no doubt worsen that situation, leading to disruption for residents as well as increased pollution levels. The proximity to local schools and Woodlands park, where many families spend time, poses a risk to the health of the local community. Littering in the local area is already a problem, and would undoubtedly increase with the introduction of a busy fast food restaurant.

Kind regards
