Reasons for comment:	
Comments:	<p>The highway network is unable to support this development. Green Lane is a narrow country lane which is often congested at rush hours and has numerous blind bends. The A227 is over capacity as it is.</p> <p>This area of Camer is Green belt and is beautiful countryside which is a Green lung for Gravesham as well as productive agricultural land. It would be a monumental loss if this development is allowed to proceed. It will set an unwelcome precedent and will lead to the merging of Meopham and Sole Street creating an urban sprawl.</p>

Kind regards
