Reasons for comment:

Comments:	<p>Green belt alleviates flooding by absorbing run off It is important to preserve our natural environment for sustainable &amp; ecological reasons We need to maintain our rural and village distinctiveness - keep our open character and unique historical features such as farmland Green belt acts as a Carbon Sump None of the sites demonstrate 'exceptional circumstances' to build on Green Belt No exceptional circumstances have been evidenced Green Belt acts as a buffer between rural and urban areas Darenth Valley is at capacity Local GP surgery's are struggling with current patient load Secondary schools are nearly at capacity Further Education options are limited locally Infrastructure Overdevelopment will lead to traffic issues Traffic surveys do not reflect increases in traffic due to issues on A2, M2 and M20 causing unsafe levels of traffic Camer Parade already experiencing unsafe parking and traffic Flow of traffic frequently excessive Road Traffic Close proximity to a Primary School and Special Needs school - dangerous to young children. Sight lines Pedestrian crossings Light Pollution Air Pollution</p>
-----------	---

Slow moving traffic close to a school - more  
pollution for vulnerable children  
Wild life  
Badger Set identified on Longfield Road  
Removal of hedges and trees - damage to habitats  
for birds, bats and insects  
Ecological systems and habitats will be damaged

---

Kind regards
