## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We do need these developments to go up. From what I'm aware, there's more land for golf courses than there is for actual housing. I personally like the idea of adding more walking and cycling paths because they'll be beneficial. Particularly for future generations who will definitely make use of them. I just hope the infrastructure will be there to support the new housing.

Kind regards
