## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	It's important to help people who are overhoused, like those still living with their parents and struggling to move out. They could also help first-time buyers and people who are downsizing. We also need the planned spaces and safe places for children, where they can be dropped off and take part in things like football and other sports. That way, they can mix with other kids in the community.

Kind regards
