Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I am concerned that this has already been completed, when it is shown as pending consideration still. But in any event, I am concerned that the extension signals an intention for use as a HMO. This would be disastrous for the road, due to possible extra vehicles it would bring, when parking is already at a premium, and we are going to have to contend with extra vehicles due to the development and medical centre being built on the site of St Joseph's school. If an application is received for change of use to a HMO, then I will strongly object.

Kind regards
