Reasons for comment:	
Comments:	I am completely against this planning application. I have lived in this house for 58years and now you want to destroy our view with 50houses. The reason we bought this house in the first place was because of the lovely open views we had of the countryside. Not only are you destroying green belt land but if it goes ahead the village cannot take all extra vehicles on its roads. The school is filled to capacity already. There is no local doctors surgery now and all utilities and local services will suffer. Every good reason for this planning application to not go through. [REDACTED]

Kind regards
