Comments:	My brother, sister-in-law and niece live very close to this site and it would negatively change their lives. I visit often, sometimes to care for my niece so know the area and will also be impacted. It will exacerbate problems that already exist and cause new ones: parking (not enough houses have driveways so the roads are packed), traffic at a busy junction will cause more air pollution with visitors and delivery drivers idling engines (a huge contributor to children's respiratory problems), litter around the area nearby/park, the road being just off the motorway is already too busy for what it can handle with hgvs, schools are nearby meaning children will be faced with unhealthy addictive food options. Please do not make this change, there is a McDonald's in the centre of town anyway!! Where it makes sense to have one.

Kind regards
