Reasons for comment:	
Comments:	Planning ref: 20260207. This isn't grey belt, it's green belt and farmland. Someone is trying to game the system here. Those fields are needed to absorb all the rainfall. The amount of traffic using Sole street as a rat run is already ridiculous, and there has been an uptick of HGV's ploughing through the village recently. This will make it even worse. I struggle to get a doctors appointment as it is. What about what little remains of the wildlife around here?

Kind regards
