Reasons for comment:	
Comments:	This development would create, urban sprawl. The access to this site is a nightmare. Both Camer Road and Norwood Lane are very narrow. The amount of cars it would add to an already strenuously busy area is ridiculous. This is a village. The size of the development is totally out of keeping with this. This is a lovely area to walk across. Flooding at the junction of Norwood Lane and Wrotham Road in heavy rain is always a major issue. Also this is prime agricultural land . It is not some little field there are always crops in here in the summer

Kind regards
