Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Objections cover 7 main areas: - increase the amount of litter in the area, especially from customers eating in Woodlands Park which already has a litter problem. This will have a negative impact on both the environment and wildlife. - likely increase of vermin in the area due to discarded food waste from customers. - increase to traffic on Wrotham Road which is already congested at peak times. This will be from customers, deliveries and those working for home food delivery companies. - both noise and light pollution to nearby properties. - risk of increase to anti-social behaviour in both the surrounding area and Woodlands park. - negative impact on health of children attending local schools. - there is already a local McDonald's in the town, no need for another one.

Kind regards
