Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development would permanently change the character of our area. We risk losing our identity and becoming just another overbuilt town. Today we look out across open, beautiful green space but in the years ahead, that could be replaced by estate after estate. With that comes more noise, more pollution, and more congestion, eroding the quality of life we value so much.

Kind regards
