Reasons for comment:	
Comments:	This is a residential area- traffic and late night noise will be unacceptable as it was when it was a public house- no consideration given to local residents regarding noise of cooking/ cleaning/ cars visiting/ etc. The litter will increase and despite the company providing litter pickers will never manage the level of rubbish that will be produced daily and dropped by customers in the local vicinity. This type of establishment will encourage large groups of teens to hang around causing increased noise and unsocial public behaviour that will require security guards to be employed- the location next to a large green space will also encourage the teens to locate there of an evening and this will need policing to ensure the park does not become a no go area for local residents

Kind regards
