| Comments: | <p>How can the council even consider this.</p> <p>I live in Norwood Lane in a house that has been here for over 100 years. My children grew up here and my husband and myself have been intending to end our days here.</p> <p>It is already nigh on impossible to access health care and this would exacerbate the situation.</p> <p>It is already nigh on impossible to safely exit my driveway (and I always reverse in!) due to the volume and speed of he traffic. When you do get out, turning on to Wrotham road is a nightmare for the same reason, again this woud get worse.</p> <p>There are increasingly few areas of green to allow this planet to breathe. You simply MUST turn this and any future deelopments down, I am well aware that the bullying tactics of the developer will to just keep on with application after application until they get their own way.#</p> <p>Please allow the birds to continue to sing in this beautiful rural area</p> |
