Reasons for comment:	
Comments:	This project will have environmental impact by increasing pollution and waste in the park area. Increase local traffic and cause safety issues wh8ch is already bad. The introduction of another fast food restaurant may negatively impact the health of the local population, especially children from St Georges secondary school. The operation of a McDonald's may increase noise levels, particularly from late-night customers. It will all affect lovely Woodlands park which will be overcrowded and possibly ruined by all the factors above.

Kind regards
