Reasons for comment:	
Comments:	Meopham is a village. I object it being connected to Sole Street with building on green land which would merge them together. There isn't adequate infrastructure. The doctors, schools, parking and amount of traffic using the A227 is at capacity already. The loss of greenbelt has a huge impact on wildlife which we are constantly told to protect and increase trees, hedges, flowers etc to help - not to built hundreds of homes to destroy it. Also it increases the risk of flooding as more land is taken out of use and the water has nowhere to go. The road at Green Lane is narrow and the junction to longfield and the primary school is always blocked with cars. Built on grey land and not green belt!

Kind regards
