Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We frequently use the shops in Higham and have good knowledge of the local area. This development is entirely inappropriate for the area. The local roads do not support this development , neither do the local facilities . Lack of a doctors surgery and lack of school places to name just a few. There are also poor transport links which again means dependence on cars . Really not enough space or justification for this .

Kind regards
