Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☐ An existing use
- ☐ Existing building works
- ☒ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. [View more details on Use Classes.](#)

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

Dwellinghouse use, being self contained residence from the Pub. As will be seen on inspection, the B&B door at the top of the stairs is one-way and locked, only the applicant can access the B&B at first floor. The door is locked at the bottom of the stairs from pub to residential.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☐ The use began more than 10 years before the date of this application
- ☒ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☒ The use as a single dwelling house began more than four years before the date of this application
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
- ☒ No

Please state why a Lawful Development Certificate should be granted

The applicant's self contained C3 use is demonstrably separate from the Pub given the facts explained by the applicant in his declaration and above, and that has subsisted for well over the period required in law. His evidence alone is sufficient unless the LPA possesses contrary evidence, which given the council tax paid for residential throughout, and layout, seems highly unlikely. It was a breach of condition 3 to 20080347, but it is now immune. Consequently a certificate should be given.

☒ No

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
