| Comments: | <p>[REDACTED] We do not have the infrastructure to support 100 houses. The roads are busy and there is school parking on double yellow lines on the A227 opposite the school twice a day. When the A227 is closed, the diversions in the lanes cannot support two way traffic. We are dependent on the A227 being open and not a traffic jam to go to work, school, etc. The primary schools, GP surgery cannot support another 100 families.</p> <p>The village would lose it's loss of character. Culverstone is a semi-rural community with wildlife, horses and farms. The trees lining the road on this site add to the character of the village. Culverstone as part of Meopham was not meant to be a town.</p> |

Kind regards
