Reasons for comment:	
Comments:	<p>The amount of traffic on the a227 and Whitepost Lane is diaboical at the moment. School times is already so very dangerous for the children going to school and elderly people trying to cross the road. Does Gravesham Council want an accident on their hands and conscience, I think not!</p> <p>How are the schools and doctors able to cope with an extra influx of people let alone the hospitals.</p> <p>Culverstone Village is being turned into a town, what once was a quiet safe place this idea of another 100 dwellings is absolutely ridiculous All services are being pushed to the limit. Think again about this application, think about the danger putting children's and people's life at risk.</p>

Kind regards
