9th October 2026

Dear Sirs

Re 16 Warren View, Shorne, Gravesend, DA12 3EJ
Partial demolition of existing rear roof, erection of rear roof
extension with partial conversion of existing roof space to
habitable accommodation with juliette balconies and roof lights.
Ref: GR/2026/0961

The Society would wish to raise an objection on the grounds that this property has already seen significant extensions and major works in the curtilage. This proposal would result in another storey and further overlooking, and in the Society's view would be over-development.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
