Thank you for reconsulting us on the above application.

Checking the new information uploaded on the planning portal, it doesn't seem the applicant has submitted a Preliminary Risk Assessment (PRA) yet. In the absence of a PRA, we maintain our objection as set out in our previous response (letter dated 3 October 2025, ref. KT/2025/132861/02-L01).

Do not hesitate to contact me if you have any queries on our comments.

Kind regards

Gabrielle
