Dear madam

We are in receipt of your letter dated
26th August 2026 regarding a
planning application submitted by our next
door neighbour Mr Alan Romir.

The two bungalows are semi-detached
and we are very concerned regarding the
side wall of their proposed loft extension
at the rear of the property will over
shadow [redacted] bathroom and kitchen windows.

We are seriously concerned that the
proposed extension will cut out a lot
of daylight to those rooms as we get
morning sunshine coming from the

east to the south of [REDACTED] property where the proposed upright extension will be positioned. We are very worried if planning consent is given it will seriously impact on our lives.

Also we are concerned regarding the need and purpose of 3 more bedrooms in the loft all with en-suite bathrooms, as to our knowledge as there are only 4 occupants i.e. a mum, dad and 2 children (a boy and a girl).

To our knowledge there are 2 bedrooms down stairs and also a bedroom upstairs plus the 3 new bedrooms to be built making a total of 6 bedrooms.

We wonder why they require that amount of bedrooms or is there another purpose for their use.

Hopefully you will consider our
objections and worries when making
your decision.
