Reasons for comment:	
Comments:	We use this dog park and believe it is a true asset to the village, we feel having somewhere safe and secure for our dogs to exercise and play is simply amazing, the park is really well managed and looked after and from my experience the owners really care about supporting the local environment and people. They have fantastic communication with all users of the park and high expectations of how people use it, including caring about the natural local wildlife that is still in evidence whenever we visit. We love this place.

Kind regards
