Reasons for comment:	
Comments:	The Bark Park is a wonderful, safe and well maintained space for our dogs to run freely rather than using any public spaces. With the increase of dog on dog and dog /human attacks since COVID, we need more spaces like this which are providing a vital facility for owners and their dogs. It also supports a small, local business to thrive and support the community needs. I think this is an excellent resource which we're lucky to have. Please keep this park open. Thank you.

Kind regards
