Reasons for comment:

Comments:	<p>Hello, I'd like to object to this please. The development is already so busy - the social media and WhatsApp groups are constantly full of issues with a lack of parking and disputes around it.</p> <p>There are regular issues involving noise and theft (particular in the flats and, anecdotally, from those who don't own the property themselves). Rubbish is a huge issue - this development is becoming very full.</p> <p>HMOs don't attract families and I'm concerned that the feel of the development is not suited to an HMO. We have uniform properties, at the requirement of Keepmoat, so the suggested changes will impact this.</p> <p>Overall, I object to this- it appears to have the sole motive of making money at the expense of the residents. Some of us have paid half a million pounds to live in a nice development - this is not the direction of travel we want to be going in and it devalues the area, and therefore our properties</p>
