Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	My concerns are that the building extension will obscure my current view around my property if the height exceeds the current outer building. I object to any structural change that may cause damage to my boundary walls causing lasting repairs, also being a toilet the environmental implications that may have an impact on myself and family's well being

Kind regards
