Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	We have no objection to this proposal other than we would like to see permission include a caveat that contractor vehicles must not block the adjacent access way other than for necessary deliveries, or store materials in it. This from recent experience of 83A drive contractors parking in the alleyway blocking access to everyone's garages at the rear

Kind regards
