Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I do not object to the proposal of a drive. I do object to the fact that the submitted plan for the hardstanding and drainage is not different to that originally proposed. It does not meet the conditions of the appeal or the report by Les Seaborn of 1 June 2022. It still shows the soakaway in the same position, and it still shows and mentions block paving instead of resin bound permeable material

Kind regards
