Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This construction would cause so much stress in this road ..parking is already limited ..lorry coming up the road would be dangerous and potentially causing damage to parked cars .the pathways are narrow .my partner is disabled and has trouble get up the road as it is ..the disruption would make it more difficult and his mental health would suffer .he would feel trapped .

Kind regards
